Directors' Report for the year ended 31 December 2012

The directors present their report and the financial statements for the year ended 31 December 2012.

Principal Activity

The company was incorporated on 13 December 1990. The main object of the company is to promote and support the development of people toward a responsible and healthy lifestyle through the provision of educational services. The directors are pleased with the progress of the company for the year.

The company's name was changed from The Cork Social & Health Education Project Limited to The Social & Health Education Project Ltd on 27 July 2005.

Principal Risks and Uncertainties

The directors foresee no major risks facing the company in the next twelve months.

Surplus/(deficit) for the year and state of affairs at 31 December 2012

The deficit for the year was €(223,370) (2011 - €(1,129)). This has been brought forward and added to the balance of the Profit & Loss Account brought forward of €344,880.

Significant reserves had been built up by the company over a number of years. The directors made deliberate efforts in 2012 to reduce its net assets in order to continue to qualify for supplementary HSE funding. This was done through offering more courses at reduced costs, and offering course concessions. This strategy was particularly timely as many course participants were negatively impacted by the recession. This has resulted in losses and a notable decrease in net assets. The directors intend that this process will continue throughout 2013. The directors wish to emphasise that this was a planned exercise by the company to maintain its eligibility for HSE funding and that the company continues to operate as a going concern.

Dividends and Retention

The company is precluded by its Memorandum of Association from paying dividends.

Directors

The directors of the company are listing on page 1.

Important Events since the Year End

The company continues to expand the range of services it offers to the communities in counties Cork and Kerry.

Future Developments

The directors anticipate that, following a period of marked expansion in the volume and range if services it offers, the company will move to consolidate its position over the coming year.

Directors and their Interests

The Social and Health Education Project Limited is a company limited by guarantee having no share capital.

Directors' Responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish Law and Generally Accepted Accounting Practice in Ireland including the accounting standards issued by the Accounting Standards Board and published by The Institute of Chartered Accountants in Ireland.

Directors' Report for the year ended 31 December 2012

Irish company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit of the company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors confirm that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper books of account that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish statute comprising the Companies Acts 1963 to 2012.

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Where financial statements are to be published on the web, the directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website.

In so far as the directors are aware:

- -there is no relevant audit information (information needed by the company's auditors in connection with preparing their report) of which the company's auditors are unaware, and
- -the directors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Books of Account

The measures taken by the directors to ensure compliance with the requirements of Section 202, Companies Act, 1990 regarding proper books of account are the implementation of necessary policies and procedures for recording transactions, the employment of competent accounting personnel with appropriate expertise and the provision of adequate resources to the financial function. The books of account are maintained at Village Chambers, The Village Centre, Ballincollig, Co. Cork.

Auditors

The auditors, O'Donovan Keyes & Co. Limited, have indicated their willingness to continue in office in accordance with the provisions of Section 160(2) of the Companies Act, 1963.
