## Empowering Parents of children with Autism

SHEP is delighted to offer a supportive facilitated online course where parents are invited to share, explore and learn together.

**When:** Friday 9:30 am to 12:00 am starting Fri 23rd Sept 2022.

**Duration:** 20 weekly online 2 ½ hr sessions.

This course is supported by inputs from child psychology and advocacy training.

Through funding from the **'What Works 'Sharing Knowledge' Fund**, SHEP is offering the course **'Empowering Parents of children with Autism'**. This is an online facilitated course where Parents are invited to share, learn and explore building capacity together in a supportive space.

For more information or to apply for the course please contact by email: [info@socialandhealth.com](mailto:info@socialandhealth.com), phone 021 4666180 or visit [www.socialandhealth.com](http://www.socialandhealth.com).
